**FEBRUARY 2008 UPDATE**

Another month has rolled around and again there have been many out there competing in both Triathlons & Aquathons. The last of the Half Ironman series was held at Geelong last weekend with 4 of our members competing, Mark Scott, Steve Newman, Mark Clough & Kerry Auguston. Kerry has been very successful in this series with a 3<sup>rd</sup> place for the series in her age group. Well done Kerry. The last Kurnell race saw conditions as not perfect but this didn't deter one of our newer members Cathy Tulloh who raced & placed 1<sup>st</sup> in the age group, what an outstanding result for someone who has only just entered the spot of triathlon. We had 2 members, Kerry Auguston & Carolyn Dews compete in the All Womens Pink Triathlon at Penrith lakes earlier this month & they have come back to say that it is a great day! Next year is a date as I am sure there are many of us in the club that would like to join the two of you.

**CLUB CHAMPIONSHIPS - Anna Bay - 3<sup>rd</sup> May 2008**

Names are now being taken for people interested in going to Club Champs, accommodation has been booked for Fri 2<sup>nd</sup> & Sat 3<sup>rd</sup> May. A commitment deposit of \$20 per person will be shortly. Please let us know of your intention to join us as we now need to start to finalise our booking for accommodation. Teams are also invited to compete in this event so if you are winding down & don't want to do all three legs get a team together & be part of this fun weekend.

**It is a terrific race to be part of as well as a great social event**
